A promotional graphic for an NCESPA chat. It features the NCESPA logo (a shield with a sunburst) on the left. The text reads: "Thursday, January 24 @ 8:00 p.m." and "TAKE THE TIME TO REFLECT AND MOVE FORWARD". Below this is a list of four questions: Q1. Reflect on 2018 - what was something you wished you spent more time on? Q2. What technology (app, tool, platform, etc.) has made your life easier? Q3. What inspirational quote will guide you in 2019? Q4. What goal have you set for yourself in 2019? The background is blue with white bokeh lights and small icons of people.

#EdCamp Style

1. Start brainstorming topics for discussion.
2. Assign one person at each table to write one topic on each post-it note.
3. Include the name of the individual willing to start the discussion of the topic on the post-it note.
4. Post the topics on "The Wall"
5. At the signal, find the topic you want to discuss and go to that table.
6. After 10-15 minutes, it will be time for Session 2!
